* Direct to Garment printing is limited to lighter garment colors such as White, Natural, Ash, Yellow, Pink, Orange, Green. Be creative with your artwork as the Digital Printer used for Direct to Garment printing does not utilize white ink. So keep in mind if you must use a darker colored garment whites within your artwork will come out the color of the garment. Use Black text on colored shirts such as Pink, Orange, Baby Blue, Lime Green.

** Shirts included with this price but are not limited to Port & Company (PC61), Gildan (2000), Hanes (5180) & Similar. Other Brands such as Alternative Apparell, American Apparall & similar will have an additional cost. TBD at time of order.
